ALL SORTS.

How are you, Governor Jones? Morton has been elected Governor of New York.

Jennie Forrest was the only one who built a bonfire last night.

Cleveland and Bartine carried the county.

It looks as if the French vote could not be delivered in bulk in Ormsby.

The sack got in its deadly work in Ormsby yesterday afternoon.—Tribune.

This is the joyfest election ever held in Ormsby. Both sides feet entitled to indulge in a jollification.

The Silver men get the salaried officers and the Republicans the honorary ones.

Reports from San Francisco indicate that Adolph Sutro has been elected Mayor of that city.

On our first page will be found complete returns of Ormsby county, along with a fair simile of the Australian ballot.

Philip Kball, teacher of piano, is ready to receive pupils. For information apply to F. J. Stammen or Mrs. M. Quonnes.

George T. Davis was buried yesterday from his residence. The interment was private yet in spite of this hundreds of people followed the hearse to the grave.

Returns in the Congressional fight show that Newlands has carried the State by a plurality of about 200 with Doughty second.

Will Davis knocking the stuffing out of traveling clothing men, as well he might, for he has put pages of clothing down to the lowest eye known in Carson.

One unfortunate thing for the Republicans was their not having any newspaper organ at Ormsby to present their side of the case. It might have made the contest more interesting.

The Constitutional amendments are wiped out in Ormsby by a large majority except the proposition to elect the U. S. Senators by a direct vote. This was carried by a large majority.

Just what place the V. & T. will occupy in politics in this State in future will be hard to determine. It was Silver Republican and Democratic, just as best suited its interest, and defeated and injured nearly everybody. It took any interest in.

How blue and gloom Sam Davis will be tomorrow, but don't just let his eyes. It would be cruel.—Tribune.

The consideration to our feelings on the part of our contemporary touches the heart. It is such a kindly spirit as that that tempers the mind to the shorn lamb in politics.

The Silver men of Ormsby got Sheriff and Assessor, Auditor and Recorder, District Attorney and Superintendent of Schools and District Judge. The opposition takes what is left. With the Governor and all the State officers on deck, there will be considerable silver atmosphere to breathe after Jan 1st.

Cleveland was in town yesterday, and takes his defeat in a game, philosophical way. He always a cheerful loser. His boys will come out to the Hays ranch and visit and a dinner he will be welcome. We want to be around the next time he calls.

A Silver Victory.

Jones is our next Governor by 1000 majority and the whole State ticket is elected by at least 800 majority, with some doubt of Cutting, Superintendent of Public Instruction. The people of this State can congratulate themselves on a decisive victory for Silver.

Douglas County.

The Genoa Courier's supplement, with complete election returns of Douglas county shows great enterprise. The winners are Bartine, Cleveland, Emmet, Murphy, Torreyson, Vanderleith, Gray, Richard, Ring, Pratt, Haines, Patterson, Mack. On the county ticket the Silver men elected Martin for Senator and captured most of the ticket.

HONEST SPRINGMEYER.

HE RESIGNS AS CHAIRMAN OF THE REPUBLICAN COMMITTEE.

Herman Springmeyer, Chairman of the Republican State Central Committee of Douglas county, was in this city yesterday. He said to the editor of the APPEAL when discussing the dirty work engineered by the State Central Committee in Douglas county:

"I have been a Republican all my life, but I don't think that there is anything in winning a fight except by square dealings. I am disgusted to realize that when calling themselves Republicans will countenance the dirty work done in Douglas. I have resigned the Chairmanship of the County Central Committee. I am simply disgusted."

The California Election.

California Democrats claim Budd is elected. Half of the city vote counted gives Budd 65,000 plurality. Returns from State outside of San Francisco too indefinite to serve as indications. Republicans will elect five Congressmen. Jackson Temple and Henshaw are several thousand ahead in this city. Returns from a part of the country show that Republicans have reversed the Democratic majority in Congressional district give Barham (R) 3,509, Geary (D) Briggby (P) 1421.

Humboldt True to Silver.

Winnemucca, Nov. 7. John E. Jones, Your majority Humboldt over 500, Newlands one hundred and seventy. Balance of ticket with you.

G. S. NIXON.

A Block of 40.

There was a single block of 40 votes in the second ward. It was straight all but one name and that one name was the mark by which the Republican Central Committee was able to designate the vote in the count. The money was up on a contingent, and not to be paid unless the 40 votes went in straight with a scratch to designate it. The money for the Republican fight was left here by D. O. Mills and pulled the Senator through.

Eureka all Right.

Palisade—Eureka by 400 in majority. Balance of ticket by 300. JACKSON.

Notice.

Tea will be served gratis. In the evening, beginning at 7:30 o'clock, there will be an attractive musical and literary programme, for which an admission of twenty-five cents will be charged. Refreshments will also be sold.

In California.

In California Estee appears to have been badly beaten by Budd, the Democratic nominee. Estee is a man of brains and integrity, but he was placed in the field by Burns, a political boss, who was charged with owing the State over \$300,000 on a shortage. Although very wealthy he never returned the money, and while Estee was not seemingly objectionable to the people his ownership was obnoxious and he was turned down.

Notice.

I take pleasure in stating to the public that I have opened the Silver Key Restaurant and will run the business under my sole supervision. Not having a partner and being untrammelled in the management of the business, I shall endeavor to merit a full share of public patronage. Ida WINTERS.
